Dear Sir:

Thank you for your inquiry concerning StandOUT reference markers.

For study reference, teaching, or marking important passages in memos and letters, StandOUT markers are unexcelled. Simply mark over the printed passage you want to emphasize...the print shows through the color for outstanding readability.

With StandOUT markers, you never have to worry about paper bleed through, either. StandOUT waterbase inks stay on one side of the paper...never mar other pages or desk tops.

In yellow ink, StandOUT markers will increase the visual effectiveness of all printed matter. Try some in your classroom or office today.

For complete price information on StandOUT reference markers, contact your local stationer or school supplies dealer...he will be happy to furnish you with retail and discount prices.

If you have any difficulty at all in obtaining StandOUT, please do not hesitate to write. We will be happy to supply you with names of the EBERHARD FABER dealers nearest you.

Very truly yours,

EBERHARD FABER Pen & Pencil Co. Inc.
